RE: Drumlin Well Pad State Director Review (SDR UT 25-06)

Dear Matt and Christina,

On February 14, 2025 the Southern Utah Wilderness Alliance and Living Rivers Colorado Riverkeeper (collectively, "SUWA") filed a request for state director review ("SDR") of the Drumlin Well Pad Project, DOI-BLM-UT-G010-2024-0064-EA. Pursuant to 43 C.F.R. § 3165.3(d), "[t]he State Director will issue a final decision within 10 business days after the receipt of a complete request for administrative review."

SUWA received a letter from BLM dated February 26, 2025 stating that BLM "expects to issue a written decision [on the request for SDR] within the next 120-days." Notably, that letter does not excuse BLM's obligation to issue a final decision on the Drumlin Well Pad SDR within 10 business days of February 14, 2025 (*i.e.*, by March 3, 2025).

Because SUWA received no such final decision by March 3, 2025, BLM has constructively denied SUWA's Drumlin Well Pad SDR. SUWA may take additional warranted action as it believes necessary to protect its rights.

Sincerely,

/s/Hanna Larsen
